

SPARK 2023

IGNITING TOGETHER

A surge of electric energy. An illuminating light.

A revolutionary new idea.

They all start somewhere - with a spark.

May 4 & 5, 2023 | Calgary, Alberta

Spark 2023 will focus on igniting inspiration, motivation and celebration, bringing together some of the best and brightest minds to explore some of nursing's most pressing issues, including workforce shortages and professional wellness. Together, we know we can create a spark for change.

Featuring Keynote Speakers Dr. Katharine Smart & Dr. Tracie Risling

Dr. Katharine Smart, Pediatrician and Past President of the Canadian Medical Association, will join us to address issues related to the Canadian nursing shortage and the impact on the entire healthcare team.

Tracie Risling RN, PhD, Vice President of the Canadian Nurses Association and Associate Professor for the Faculty of Nursing at the University of Calgary, will speak on the future of nursing, leaving conference attendees with an inspirational call to action.

Tickets are only \$375 for the first 150 AAN Members who register, thanks to early support from our sponsors!
